Case No: 12-6108

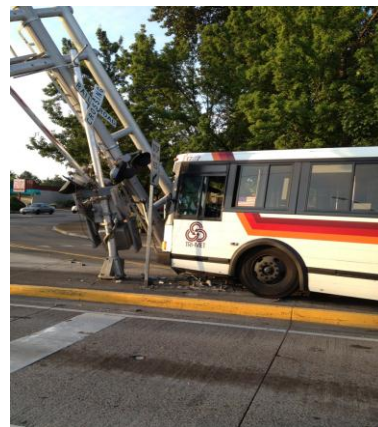

Bus Crash Causes Traffic Delay

On August 10, 2012 Beaverton Police Officers were dispatched to the intersection of SW Lombard and SW Beaverton Hillsdale HWY, on a report of a bus crash.

When officers arrived they saw that a Tri-Met bus had crashed into a rail road support pole containing safety lights. The bus was not in service at the time and was unoccupied other than the driver. The driver was not injured.

Eastbound traffic on SW Beaverton Hillsdale HWY approaching SW Lombard will be delayed for several hours. It is advised that travelers avoid this area.

The Beaverton Police Department and Tri-Met are investigating the cause of this collision.
